Does abstinence education work?

These data show clearly that abstinence-only policy is ineffective in leading to increased experiences of sex per se is guilt;
Abstinence-only programs threaten fundamental human rights to health, information, and life.

*“I’m that **chewed up** piece of gum, nobody **re-chews** a piece of gum, you **throw it away**...*

Why would it even be worth screaming out? Why would it even make a difference if you are rescued?

Your life still has no value...”
